An Alphabetically Arranged List of Business Firms and Private Citizens in Fort Wayne—A Miscellaneous Directory of City and County Officers, Public and Private Schools, Churches, Banks, Incorporated Institutions, Secret and Benevolent Societies, Etc., Etc.—A Classified List of all Trades, Professions and Pursuits—A Directory of Allen County.

SOLD ONLY BY SUBSCRIPTION.

VOLUME XX.

R. L. Polk & Co, Publishers,

33 Bass Block, Fort Wayne.

Entered according to Act of Congress, in the year 1898, by R. L. Polk & Co., in the office of the Librarian of Congress, at Washington, D. C.

INTRODUCTORY.

We take much pleasure in being able to-day to issue to our patrons the twentieth edition of Fort Wayne and Allen County Directory. We have worked early and late, long and diligently, to make this volume excel in accuracy and finish all its predecessors. How well we have succeeded we will leave to our patrons to judge.

We follow in Fort Wayne the rule adopted in the hundreds of other cities that we publish i. e., we do not stop at the city limits, or any imaginary limit. We think it would be unjust to our patrons, many of whom live beyond the corporate limits, if we stopped our canvass at that point. We have this year covered the same territory as in all former years. Our canvass shows this year all told an increase over last year of 288 names, which would make our present population 50,112 actual count (not approximate).

Every subscriber will receive a copy of our revised map free, and will note the changes made in the names of streets In following our map our patrons will avoid the confusion they might otherwise encounter in looking for streets, the names of which have been changed to those of former streets. We trust that before our next publication the ordinance passed by the City Council, authorizing the renumbering of the houses, will be enforced. By the decimal system of numbering, one hundred numbers being allotted to each square, a person can easily determine the exact location of any given number, and it will be most advantageous to all our citizens to have the changes effected as soon as possible.

In conclusion, we most sincerely thank our entire list of subscription and advertising patrons for their support to our efforts to furnish them a thoroughly reliable and accurate book, and assure them that without such liberal support such a publication would be wholly impossible.

WE RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS.** These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day in the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvassers that he has "no use for a Directory," that he "knows everybody," and vice versa, "everybody knows him."
